Get Your Coaching On Business Rails

Professional Marketing Package

When you know that what your doing is the right things
- peace of mind prevails

Imagine: how would you feel if you knew that all your marketing efforts where spot on?

In this professional marketing package, you get all the rails you need to market your coaching professionally and tailord specifically to you and the sales tools you learned in CP.

With this package you will get: (Among other things - see next page)

- **A Kick ass website** tailord to get people to sign up for your free exploratory
- **Your own domain name** optimized so people searching on Google finds you easier
- **Exploratory fill-in-the-blanks sheet** to make it easier to do and get the client
- **Testimonial page** to ensure you collect testimonials, that help you sell more coaching
- +
- **Professional businesscards** focused on getting people to your website

And you will know:

- **How to use your website effectively** when engaging prospective clients
- **How to write texts** that leave people wanting more
- **How to make website updates** as easy as building with LEGO
- **How to use social media** to boost your business (and what not to do)
- +
- **The #1 technique** to release the emotional blocks that stop you from selling

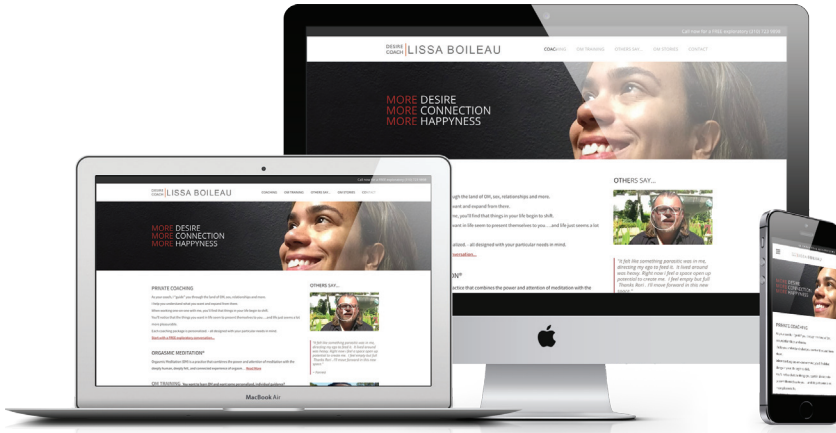

This package includes everything you need to feel secure and know that you are doing the right things in the right order. To promote, market and sell your coaching. Delivered by a 20+ year online marketing veteran & fellow CP'er, Martin Andersen.

NOTE: As this package is sold on a first-come-first-served basis - we expect it to sell fast. We invite you to book your FREE marketing exploratory today in order to get your coaching on business rails without having to wait.

Prerequisite: CP training and a burning desire to do your marketing right
